You be the Judge

'BESS'

Some folks love her, others say she's the least hardworking member of her illustrious family - with a tendency to crap in the street and a filthy habit of licking her own genitals.

Whatever you think of her, you can't keep good old Bess the Bulldog out of the news.

People are now saying she's the spitting image of our very own Fergie.

Here's where you, the Great British public can have your say.

HRH THE DUCHESS OF YORK

Does Bess the Bulldog even remotely resemble our lovely Duchess? (crapping in the street apart).

Write and tell us what you think. Even if you can't think of anything, it might be fun to see if you can manage to stick a stamp on a postcard and write your own name and address.

Send your replies to:

THE ADVENTURES OF GLASSMAN

J. SHEPHERD

GLASSMAN LIVES IN A GREEN-HOUSE, IN THE GARDEN OF YOUNG TOMMY BAKER.

HI GLASSMAN. HEY, WHAT ARE YOU DOING WITH THAT CAN OF WINDOLENE AND DADS' AUTO BUFFER?

EH!? WHAT? WHO ME? OH NOTHING! WITH THIS YOU MEAN? NOTHING AT ALL!

SO TOMMY, WHAT CAN I DO FOR YOU?

WELL GLASSMAN, THERE'S A BOX-A-THON AT THE SPORTS CENTRE ON FRIDAY. ANYONE WHO CAN BEAT BRAIN SMASHER BRIGGS GETS TO DONATE \$1000 TO CHARITY. IF WE WON, WE COULD GIVE THE MONEY TO THE LOCAL ORPHANAGE.

OKAY TOMMY, I'll DO IT!

FRIDAY

GOSH GLASSMAN, DO YOU REALLY THINK YOU CAN BEAT HIM? I'VE BET ALL MY POCKET MONEY!

TUT! TUT! TOMMY - YOU KNOW HOW I FEEL ABOUT GAMBLING.

HOWEVER, THERE ARE BUT FEW HUMANS WHO CAN COMPARE TO THE MIGHT OF THE GLASSMAN!

THE FIGHT BEGINS.

OOF!

THUD!

HMMM - THIS SHOULDN'T TAKE LONG!

THEN...

OUCH! THAT SOUNDED PAINFUL!

OOPS!

KIISH!

KA-TIISHH!

TOUGH LUCK SON. LOOKS LIKE YOUR MAN HAD A GLASS JAW!

THORRY OMMY! I'VE LET ANF OATH THOOR ANWFANS DOWN...

NEVER MIND THE ORPHANS YOU USELESS BASTARD. WHAT ABOUT MY FUCKING POCKET MONEY!?

FREE

A HAND SHANDY FROM KYLIE MINOGUE!

Our exclusive photocopy of Kylie's hand (Actual size)

Let's face it lads, in this day and age, you can't beat a good wank from a celebrity. And there's no beating our sensational offer - a *quick five knuckle shuffle* from the curvy queen of pop, Kylie Minogue.

We recently popped into her record company offices and while she was leaning on the photocopier, switched it on. The result - a lifesize palm print of the sexy temptress herself. Follow the instructions and you too can experience what it feels like to be wanked off day and night by Kylie. And unlike Michael Hutchence, you don't even have to make boring smalltalk with her afterwards!

Here's what to do:-

- 1 Cut around dotted lines
- 2 Glue reverse of cut-out hand and affix to the palm of your hand.
- 3 Masturbate in normal fashion—in the knowledge that Kylie's fair fingers are entwined around your appendage.

Note: We have it on good authority that Kylie uses a firm grip, hums while she's doing it and changes hands every 15 strokes - so for maximum effect, you'll need both hands. Better go out and buy another copy of this comic then. Remember to put your knob away first though.

ZIT LETTERS
PO BOX 859, HOVE,
EAST SUSSEX BN3 2BJ

**THE NO NONSENSE, HARD HITTING,
PUNCHY, BOLLOCK TWEAKING PAGE
THAT YOU WRITE!**

DEAR ZIT

After watching several commercials for the Nat West bank, I now know why I'm forced to queue for over 2 hours every piggin' lunchtime.

Judging from the ads, it would appear that the staff are all too preoccupied exchanging coy looks or are far too busy fucking one another.

How about printing a photo of that smug little shit who "does a bit of everything" - including the little girl that works with him.

Gavin Hardacre
Coventry

Anything to oblige Gavin. After all, "It's not all work work work".

Do you have an interesting tale to tell or perhaps a wry but sensible comment about life's little ironies. You do? Then send them to TV Times, 247 Tottenham Court Road, London. On the other hand, if you've nothing better to do and don't mind wasting a stamp, why not write huge amounts of old shite to us at the address at the top of the page. The best letter wins a T-Shirt or a mug of some other bit of old tat depending on what we find lying about.

Whilst watching a recent England football match on television, John Motson the commentator said that Graham Taylor would probably pull David Batty off at half-time. Lucky old David! Most footballers only get half an orange.

Neil Broom
Manor Park

Who says cats have nine lives? I managed to kill my kitten first time, with a sharp blow to the head.

Mrs J Chalmers
On Holiday Somewhere

Seeing how Jeremy Beadle is so fond of playing jokes on people, I find it particularly ironic that Mother Nature got one in first by giving him that horrid manky hand. Makes you almost believe in God doesn't it?

Alan Brady
Norwich

JUDITH HANN

When will the talents of Tomorrow's World presenter Judith Hann be recognised. She must be one of the greatest inventors of all time. Every Thursday evening without fail she regularly comes up with

about 6 blinding new inventions. That Howard Stableford's a fat cunt though.

T. Moseley
Edinburgh

MORTGAGE MISERY

Why not get your own back on those tight-arse building societies. Simply stop paying your mortgage and spend the money on beer and chips or whatever you fancy. Then when they come round to repossess your house, simply kill yourself.

James Carter
Halifax

Being a medical student, you can imagine my surprise when I asked my lecturer what the useless fleshy bits around the vagina were called, and he replied, "The Woman."

(Dr) Mark Hammond
Humberside

CONDUM CONUNDRUM

After a particularly passionate lovemaking session with my girlfriend, I glanced down at my now flacid penis and was struck by how odd it looked, all small and shrivelly encased in a horribly wrinkled pink condom. Perhaps even more curious was the fact that there wasn't a condom on it when we started.

We can only assume that it belonged to one of her old boyfriends and had been lurking inside her for some months. Fortunately, in the same way that a screw fits snugly into a Rawlplug, I had inadvertently managed to retrieve it.

*P Ragworth
Chester*

CUSTOMS HORROR

Going through customs on the way back from a holiday in Spain, I was recently subjected to the most horrific ordeal.

During the flight I had suffered considerable discomfort in my bottom due to the fact there was still sand in my pants. So when the customs man at Gatwick asked me how I was, I understandably replied "Fine thank you, apart from the crack in my bottom."

Imagine my surprise when he gave me a brutal internal examination.

*Mr Lawley
Reading, Berks*

IN THE SWIM

Do Lifeguards have no sense of humour!

Only last week I visited our local swimming baths and was promptly thrown out for having a shit in the deep end. Be honest, we've all done it at some time or another. Alright, so I was on the top diving board at the time, but where's the harm?

*Mrs H Foster
Eastleigh Hants*

**IN THE GARDEN
WITH GRANVILLE...
Handy Hints for all!**

At this time of year, many people will be considering entering marathons. It's worth bearing in mind the health risks involved. For instance, my husband recently entered a marathon, and 6 months on he's still picking the peanuts out from under his foreskin.

*Dolly Bedweed
Southampton*

I recently went to the doctors with a particularly large and unsightly hairy lump on the end of my penis. Imagine my surprise when he told me it was my body.

*K Lymeswold
Dorset*

MADE UP

Your letters page is a complete sham. Half the letters are made up and even the ridiculous addresses aren't for real.

*Mrs Ivy Likes
The Cock Inn, Tilit. Herts*

"I must change the baby", I said after our 6 month old had dirtied his nappy. "Ooh good!" said my four year old son. "Can we swap it for a puppy and a Lego kit?" What a prick. Do other readers have to put with similar arse-hole comments from children?

*P Wormley
Darlington*

In a local restaurant, I overheard a man saying he couldn't imagine anything more disgusting than eating snails. How about a soapy tit wank from Ethel out of Eastenders?

*Matthew Buxton
Norwich*

KYLIE'S TITS

If Kylie Minogue could sing half as well as she can grow fried eggs on her chest, she'd be number one all year round.

*Mr Penny
Wolverhampton*

APOLOGY

DUE TO A PRINTING ERROR, THE CUT-OUT HAND THAT APPEARS ON THE PREVIOUS PAGE IS NOT THAT OF KYLIE MINOGUE'S.

UNFORTUNATELY, THE WRONG HAND HAS BEEN PUBLISHED, AND THE PALM PRINT THAT APPEARS IN THIS MONTH'S ISSUE, UNDER THE HEADING OF: 'A FREE HAND SHANDY' IS THAT OF TV ASTROLOGER, RUSSELL GRANT.

WE APOLOGISE FOR ANY DISTRESS THIS MAY HAVE CAUSED, PARTICULARLY TO READERS WHO HAVE ALREADY TAKEN UP OUR OFFER AND CUT THE HAND OUT TO USE WHEN MASTURBATING.

IN WHICH CASE, YOU'LL HAVE TO LIVE WITH THE FACT THAT YOU'VE JUST BEEN WANKED OFF BY THE ROLY-POLY RAGING STARGAZER HIMSELF.

EURRGH YOU FILTHY BASTARDS!!

ANYWAY, SORRY AND ALL THAT.

Your very own "BARNESEY" to cut-out and dress

(and fiddle about with)

RE-ENACT YOUR FAVOURITE MATCH

Instructions:

Simply cut-out the Liverpool shirt and slip it onto the athletic torso of John Barnes. Cut round the small wheels shown and affix to the bottom of his boots. Then simply weave him in and out of the opposing team, waltzing past defenders as if they weren't there, riding over clumsy lunging tackles without so much as breaking stride. All the time maintaining perfect balance. Sheer poetry in motion.

For those more glamorous occasions (usually once a month on a Wednesday evening), dress "Barnesey" in this stunning England shirt. Cut out the drawing pins shown and nail his feet to the floor. Then marvel at his lack of mobility, his refusal to break sweat or even to put one foot in front of the other. In short, sit back and watch the lazy twat do fuck all for 90 minutes!

HAVE A MOAN-UP ON US

"I don't understand it, he does it week in, week out, for Liverpool"

"They reckon this is his last game for England"

"Graham Taylor used to get the best out of him at Watford, you know"

"Come on Barnes you lazy cunt"

"Run at him!"

"Go on, take him on"

"Oh for fuck's sake!"

"Get that John Salako on"

ARE YOU A RAVING CHUTNEY FERRET?

**In other words, a bit of
a Benny on the quiet.**

It's surprising how many of our homosexual friends there are in society today. They seem to be popping up all over the place—on the football field, in the showers and on Breakfast T.V. doing the horoscopes. Don't get us wrong, we've nothing against people putting their winkies up each others bottoms and growing great woofley moustaches. It takes all sorts after all, and there's a bit of the homosexual in all of us (although I've never had a bit of one in me — oh no sir).

So here's your chance to find out whether there's a benny lurking deep within you.....so to speak. Simply answer each question A,B or C then tot up your final score to reveal whether you've got what it takes to become a big fat raging, screaming queen of a puff.

1. You go to party and get blind drunk. You and your best mate crash out in his bed for the night. In the morning do you:

- a) Have a good laugh about how pissed you both were the night before.
- b) Have a good laugh, but secretly feel just a little bit embarrassed that you both slept in the same bed.
- c) Have a good laugh, until you realise that during the night, your pyjama's have mysteriously been turned back to front so that the slit is now at the rear. And come to think of it, your bottom does feel a bit sore.

2. You're watching telly with your girlfriend. She insists on watching the live match Spurs V Man Utd. Would you:

- a) Happily agree. You're a keen soccer fan and like to watch Man Utd. getting a right good stuffing.
- b) Happily agree. You're a keen United fan and enjoy watching Spurs getting a right good stuffing.
- c) Reluctantly agree as you don't really like football but console

yourself with thoughts of that nice Gary Lineker getting a right good stuffing.

3. You're watching the Antiques Roadshow with your girlfriend, she remarks how beautiful the pottery on the show is, would you:

- a) Wish she'd shut up, you really can't see the delights of hand glazed pottery.
- b) Agree with her, the pottery really is a beauty to behold.
- c) Ignore her. You're far too busy fantasising about fist-fucking Hugh Scully.

4. It's Sunday afternoon, you're watching ITV's "The Match" with your mates. Would you:

- a) Feel happy and contented. There's nothing you like better than to watch the footie with your beer swilling mates.
- b) Feel a little aggrieved that you can't talk to your mates properly because the telly's causing such a distraction.
- c) Get up and turn the telly over. You're missing The Clothes Show!

5. The Clothes show is now on and all your mates are making lewd comments about the beauty of the models on the show. Would you:

- a) Join in, especially when Selina Scott comes on as you really have the hots for her.
- b) Join in, particularly when that other one comes on, you know the skinny one with the big nose.

c) Join in, but feel a strange unexplained longing for the ever youthful Jeff Banks.

6. Walking down the high street, a scaffolder's wolf whistle brings your attention to a real leggy lovely across the street. Would you:

- a) Have a good gawp, yes he's right, she's a real stunner with a huge pair of jugs.
- b) Ignore his lewd comments—it really is appalling how women have to suffer such foul mouthed taunts.
- c) Have a good gawp, yes he really is a muscley hunk, with a lovely line in builders arse-crack.

7. The football's on again (yes predictable isn't it). Chelsea are beating Liverpool 1-0. Do you:

- a) Not give a toss really, you're a QPR supporter.
- b) Hope that Chelsea can go on to score another and wrap the game up.
- c) Hope that Liverpool can score 2 goals and win the game as there's nothing you like better than to watch 11 grown men coming from behind.

8. You decide to read a book at

bedtime, which of the following would you choose?

- a) A Ford Sierra repair manual.
- b) A paperback novel.
- c) Whatever that tattooed sailor friend next to you happens to be reading at the time.

9. Your girlfriend complains that your lovemaking is no longer enjoyable. Would you:

- a) Talk to her to find out what turns her on.
- b) Suggest she takes another lover.
- c) Ignore her. Making her wear a false moustache and lumberjack shirt while you give her a quick one up the "Derrick" is the most natural thing in the world.

10. A rabid Pit Bull Terrier chases you into your bedroom. You take refuge in the wardrobe. Do you then:

- a) Come out fighting, armed with a selection of belts and coat hangers.
- b) Shout names at it from inside the wardrobe and hope that it will go away.
- c) Stay silently where you are but secretly wish you had the courage to come out of the closet.

HOW DID YOU SCORE?

A — 1 point
B — 2 points
C — 3 points

10 or less: A poor performance. There's not even a hint of the bisexual in you. You're certainly no fun at all in the sack.

11 — 20: Not bad. A bit more effort and we'll make a benny of you yet. Try wearing a keyring on your belt and talk loudly in an affec-

ted manner. Then get upset when people take the piss.

21 — 30: Congratulations. You've got what it takes to become a fully fledged up-standing member of the gay community. You see nothing wrong in becoming a raving Chutney Ferret. And we couldn't agree more! 2 men loving each other can be quite a beautiful thing — in a pervy, filthy sort of way.

ONE MORNING, HENRY DALE
